Notes:

- (1) This press release contains translations of certain Indian rupee amounts into U.S. dollars at specified rates solely for the convenience of the reader. Unless otherwise stated, the translation of Indian rupees into U.S. dollars has been made at INR 82.19 to US\$ 1.00, which was the noon buying rate in New York City for cable transfer in non-U.S. currencies as certified for customs purposes by the Federal Reserve Bank of New York on March 31, 2023. We make no representation that the Indian rupee or U.S. dollar amounts referred to in this press release could have been converted into U.S. dollars or Indian rupees, as the case may be, at any particular rate or at all.
- (2) The financial statements in this press release are not the Company's statutory accounts as defined in section 434 of the UK Companies Act 2006. Statutory accounts for the Company's financial year ended March 31, 2023 have not yet been delivered to the Registrar of Companies for England and Wales. Statutory accounts for the Company's financial year ended March 31, 2022 have been delivered to the Registrar in accordance with section 441 of the Companies Act 2006 and an auditor's report has been made on them and was unqualified, did not include any reference to any matters to which the auditor drew attention by way of emphasis without qualifying the report, and contained no statement under section 498(2) or (3) of the Companies Act 2006.

Forward Looking Statements

This press release contains forward-looking statements within the meaning of Section 21E of the Securities Exchange Act of 1934, as amended and the Private Securities Litigation Reform Act of 1995, including statements regarding our future financial and operating guidance, operational and financial results such as estimates of nominal contracted payments remaining and portfolio run rate, and the assumptions related to the calculation of the foregoing metrics. The risks and uncertainties that could cause our results to differ materially from those expressed or implied by such forward-looking statements include: the availability of additional financing on acceptable terms; changes in the commercial and retail prices of traditional utility generated electricity; changes in tariffs at which long-term PPAs are entered into; changes in policies and regulations including net metering and interconnection limits or caps; the availability of rebates, tax credits and other incentives; the availability of solar panels and other raw materials; our limited operating history, particularly as a relatively new public company; our ability to attract and retain relationships with third parties, including solar partners; our ability to meet the covenants in our debt facilities; meteorological

conditions; issues related to the COVID-19 pandemic; supply disruptions; solar power curtailments by state electricity authorities and such other risks identified in the registration statements and reports that our Company has filed or furnished with the U.S. Securities and Exchange Commission, or SEC, from time to time. Portfolio represents the aggregate megawatts capacity of solar power plants pursuant to PPAs, signed or allotted or where we have received a letter of award. There is no assurance that we will be able to sign a PPA even though we have received a letter of award. All forward-looking statements in this press release are based on information available to us as of the date hereof, and we assume no obligation to update these forward-looking statements.
