INDEPENDENT AUDITOR'S REPORT

To The Members of ReNew Energy Markets Private Limited

Report on the Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying Standalone Ind AS financial statements of **ReNew Energy Markets Private Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss, including the Statement of Other Comprehensive Income, the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and Notes to the Financial Statements and a summary of the material accounting policies and other explanatory information (hereinafter referred to as 'Standalone Ind AS Financial Statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rule, 2015, as amended, ("Ind AS") and other principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024 and the Statement of Profit and Loss and other comprehensive income, changes in equity and its Cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Information Other than the Standalone Ind AS Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Director's Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Based on the work we have performed, we conclude that there is no material misstatement of this other information, which we are required to report. We have nothing to report in this regard.

Management's Responsibilities for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements to give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we have exercised professional judgment and maintained professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and have obtained audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. Our conclusions are based on

B D G & CO LLP New Delhi Chartered Accountants

the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020, issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act (hereinafter referred to as the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the **"Annexure A"** a statement on the matters specified in paragraphs 3 and 4 of the Order.

2.

A. As required by Section 143(3) of the Act, we report that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

c) The Balance Sheet, the Statement of Profit and Loss, the Statement of Cash Flows and the Statement of changes in equity dealt with by this Report are in agreement with the books of account.

d) In our opinion, the aforesaid Standalone Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.

e) On the basis of the written representations received from the directors as on March 31, 2024, taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2024, from being appointed as a director in terms of Section 164(2) of the Act.

f) Our report expresses an unqualified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting, refers to our separate Report in **"Annexure B"**.

B D G & CO LLP ★ New Delhi ★ Chartered Accountants

B. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our knowledge and belief and according to the information and explanations given to us:

a) The Company does not have any pending litigations as at March 31, 2024, which would impact its financial position.

b) The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.

c) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company in accordance with section 124(5) of The Companies Act, 2013 and Rules there under.

d)

i. The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:

- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or
- provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

ii. The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:

- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or
- provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and

iii. Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under subclause (d) contain any material mis-statement.

e) The company has not declared or paid any dividend during the year; hence compliance of Section 123 of Companies Act is not applicable.

f) The Company has used accounting software (SAP S4 Hana) for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all

B D G & CO LLP Chartered Accountants New Delhi relevant transactions recorded in the software except that, audit trail feature was enabled at the underlying application database w.e.f. 28 March 2024. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with in respect of the accounting software throughout the year, except that for the underlying application database wherein the same has been established w.e.f 28 March 2024.

Annexure A to Independent Auditors' Report

Referred to in Paragraph 1 of the Independent Auditors' Report of even date to the members of **ReNew Energy Markets Private Limited** on the Standalone Ind AS financial statements for the year ended March 31, 2024.

I.

a) (a-d) The Company does not have any Property, Plant and Equipment and Intangible Assets hence the requirements of clause 3(I)(a), 3(I)(b), 3(I)(c), 3(I)(d) of the Order are not applicable.

e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made there under.

II.

a) There is no inventory with the company during the year hence the requirements of clause 3(II)(a) of the order is not applicable.

b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been sanctioned any working capital limits on the basis of security of current assets; Accordingly, Clause 3(II)(b) is not applicable to the company.

III. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has made investments, provided guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the year. The Company has granted loans to one company during the year; details of the loan are stated in sub-clause (a) below.

a)

i. Based on the audit procedures carried on and as per the information and explanations given to us, the Company has not granted any loans to subsidiaries / Joint Ventures / Associates.

ii. Based on the audit procedures carried on and as per the information and explanations given to us, the Company has granted loan to a party other than Subsidiaries / Joint Ventures / Associates as below:

Particulars	Amount (In INR Mn)
Aggregate amount during the year - Others	204
Balance outstanding as at balance sheet date - Others	102

b) According to the information and explanations given to us and based on the audit procedures conducted by us, we are of the opinion that the terms and conditions of the loans given are, prima facie, not prejudicial to the interest of the Company.

B D G & CO LLP New Delhi Chartered Accountants

c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in the case of loans given, the repayment of principal and payment of interest has been stipulated and the repayments or receipts have been regular.

d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no overdue amount for more than ninety days in respect of loans given.

e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no loan given falling due during the year, which has been renewed or extended or fresh loans given to settle the overdue of existing loans given to the same party.

f) As disclosed in note 24 to the financial statements, the Company has granted loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment to companies. Of these following are the details of the aggregate amount of loans or advances in the nature of loans granted to promoters or related parties as defined in clause (76) of section 2 of the Companies Act, 2013.

(Amount in INR Mn)

	All Parties	Promoters	Related Parties
Aggregate number of loans/ advances in nature of loans			
- Repayable on demand (A)	204	Nil	204
- Agreement does not specify any terms or period of repayment (B)	Nil	Nil	Nil
Total (A+B)	204	Nil	204
Percentage of loans/ advances in nature of loans to the total loans	100%	NA	100%

IV. There are no loans, investments, guarantees, and security in respect of which provisions of sections 185 and 186 of the Companies Act, 2013 are applicable and accordingly, the requirement to report on clause 3(IV) of the Order is not applicable to the Company.

V. The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(V) of the Order is not applicable.

VI. We have reviewed the books of accounts maintained by the company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148 of the Act, and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not carried out a detailed examination of the same.

B D G & CO LLP New Delhi Chartered Accountants

VII.

a) The Company is regular in depositing with appropriate authorities undisputed statutory dues including goods and services tax, provident fund, income-tax, service tax, cess and other statutory dues applicable to it. According to the information and explanations given to us and based on audit procedures performed by us, no undisputed amounts payable in respect of these statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable. The provisions of Service tax are not applicable.

b) There are no dues of goods and service tax, provident fund, employee's state insurance, income tax, sales-tax, service tax, customs duty, excise duty, value added tax, cess, and other statutory dues which have not been deposited on account of any dispute.

VIII. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income-tax Act, 1961 as income during the year.

IX.

a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted on any loans or borrowings from lender during the year.

b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a willful defaulter by any bank or financial institution or government or government authority.

c) According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, we report that term loans have, prima facie, been used for the purpose for which the loans were obtained by the Company.

d) On an overall examination of the financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company.

e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(IX)(e) of the Order is not applicable.

f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(IX)(f) of the Order is not applicable.

X.

a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3(X)(a) of the Order is not applicable.

b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or

B D G & CO LLP ★ New Delhi ★ Chartered Accountants

partly convertible debentures during the year. However, Company has made right issue during the year. Accordingly, clause 3(X)(b) of the Order is not applicable.

XI.

a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the Management.

b) During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013, has been filed by cost auditor/ secretarial auditor or by us in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors).

c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.

XII. As the Company is not a Nidhi Company and hence the provisions of Clause 3 (XII) of the Order are not applicable to the Company.

XIII. Transactions with the related parties are in compliance with sections 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards. The provisions of section 177 are not applicable to the Company and accordingly the requirements to report under clause 3(XIII) of the Order in so far as it relates to section 177 of the Act is not applicable to the Company.

XIV.

a) Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.

b) We have considered the internal audit reports of the Company issued till date for the period under audit.

XV. In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.

XVI.

a) The provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause 3(XVI)(a) of the Order is not applicable to the Company.

b) The Company has not conducted any Non-Banking Financial or Housing Finance activities and is not required to obtain CoR for such activities from the Reserve Bank of India.

c) The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(XVI)(c) of the Order is not applicable to the Company.

B D G & CO LLP New Delhi Chartered Accountants

d) As represented by the management, the Group does not have more than one Core Investment Company (CIC) as part of the Group as per the definition of Group contained in the Core Investment Companies (Reserve Bank) Directions, 2016.

XVII. The Company has incurred cash losses in the current financial year amounting to INR 77 Mn and incurred cash losses in the immediately preceding financial year amounting to INR 20 Mn.

XVIII. There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(XVIII) of the Order is not applicable.

XIX. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

XX.

a) In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of Section 135 of the Act pursuant to any project other than ongoing projects. Accordingly, clause 3(XX)(a) of the Order is not applicable.

b) In our opinion and according to the information and explanations given to us and based on an independent legal opinion obtained by the Company, upon irrevocable transfer of funds by the Company to implementing agencies for designated multiyear projects undertaken through them, there is no unspent amount under sub-section (5) of Section 135 of the Act pursuant to ongoing projects. Accordingly, clause 3(XX)(b) of the Order is not applicable.

XXI. The requirement of clause 3(XXI) is not applicable in respect of Standalone Financial Statements.

Annexure B to Independent Auditors' Report

Referred to in paragraph 2 (f) of the Independent Auditors' Report of even date to the members **ReNew Energy Markets Private Limited** on the Standalone Ind AS financial statements for the year ended March 31, 2024;

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls over financial reporting of **ReNew Energy Markets Private Limited** ("the Company") as of March 31, 2024 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibilities for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, as issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Ind AS financial statements for

B D G & CO LLP * New Delhi * Chartered Accountants external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

a) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

b) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

c) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India

1 General information

ReNew Energy Markets Private Limited ('the Company') is a private limited company domiciled in India.
The registered office of the Company is located at 138, Ansal Chamber - II Bikaji Cama Place, New Delhi-110066. The Company is carrying out business activities relating to purchase and sale of power through exchange.

CIN : U40106DL2020PTC373171
The Financial Statements of the Company were authorised for issue by the Company's Board of Directors on 01 September 2024.

2 Basis of preparation

The Company prepared its Financial Statements as per Ind AS prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, as amended.
The Financial Statements have been prepared using presentation and disclosure requirements of the Schedule III of Companies Act, 2013.

The Financial Statements have been prepared on a historical cost basis, except for the following assets and liabilities which have been measured at fair value:

- Financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments)

The accounting policies and estimates adopted in the preparation of Financial Statements are consistent with those used in the annual financial statements for the year ended 31 March 2023 except for changes in accounting policies and disclosures as detailed in note 3.2.

The Company has prepared the financial statements on the basis that it will continue to operate as a going concern.

3.1 Summary of Material Accounting Policies

a) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current / non-current classification.

An asset is treated as current when it is:
- Expected to be realised or intended to sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalents unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is treated as current when it is:
- Expected to be settled in normal operating cycle
- Held primarily for the purpose of trading
- Due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets / liabilities are classified as non-current assets / liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation / settlement in cash and cash equivalents. The Company has identified twelve months as their operating cycle for classification of their current assets and liabilities.

b) Fair value measurement

The Company measures financial instruments, such as, derivatives at fair value at each reporting date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:
- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. The fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.
The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

RENEW ENERGY MARKETS PRIVATE LIMITED

BDG & CO LLP New Delhi Chartered Accountants

For assets and liabilities that are recognised in the financial statements at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The management of the Company determines the policies and procedures for both recurring fair value measurement, such as unquoted financial assets, and for non-recurring measurement, such as assets held for sale.

External valuers are involved for valuation of significant assets, and significant liabilities. Involvement of external valuers is determined annually by the management after discussion with and approval by the Company's Audit Committee. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. The management decides, after discussions with the Company's external valuers, which valuation techniques and inputs to use for each case.

The management of the company determines the policies and procedures for both recurring fair value measurement, such as unquoted financial assets, and for non-recurring measurement, such as assets held for sale.

At each reporting date, the management of the company analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the accounting policies of the company. The management also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

This note summarises the accounting policy for determination of fair value. Other fair value related disclosures are given in the relevant notes as following:

· Disclosures for significant estimates and assumptions (Refer Note 28)
· Quantitative disclosures of fair value measurement hierarchy (Refer Note 26)
· Financial instruments (including those carried at amortised cost) (Refer Note 25)

c) Revenue recognition

(i) Revenue from contracts with customers

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company has generally concluded that it is the principal in its revenue arrangements, because it typically controls the goods or services before transferring them to the customer.

Sale of power

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract. The Company recognizes revenue when it is probable that the collectability of the related receivables is reasonably assured

Transaction fee is charged based on the volume of transactions entered into by the respective member or client of trader/ professional member through the exchange.

Sale of Service

Revenue from Services is recognised as and when the service is performed as per the relevant agreements and when there is a reasonable certainty of ultimate realization.

d) Taxes

Tax expense comprises current tax expense and deferred tax.

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in India. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate. Current income tax assets and liabilities are offset if a legally enforceable right exists to set off these.

e) Impairment of non-financial assets

The Company assess, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimate the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating units (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or company of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre -tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

The Company bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Company's CGUs to which the individual assets are allocated. These budgets and forecast calculations generally cover a remaining life of the power purchase agreements of the project considering the long term fixed rate firm agreements available.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the statement of profit or loss.

S R B C & CO LLP ★ New Delhi ★ Chartered Accountants

ReNew Energy Markets Private Limited

For assets excluding goodwill, an assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit or loss unless the asset is carried at a revalued amount, in which case, reversal is treated as an increase in revaluation.

f) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit or loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

g) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows; and

b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the EIR method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in other income in the statement of profit or loss. The losses arising from impairment are recognised in the statement of profit or loss.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss for all debt instruments not held at fair value through profit or loss. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Company expects to receive, discounted at an approximation of the original effective interest rate.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables or contract revenue receivables. The Company has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

The assessment of the correlation between historical observed default rates, forecast economic conditions and ECLs is a significant estimate. The amount of ECLs is sensitive to changes in circumstances and of forecast economic conditions. The Company's historical credit loss experience and forecast of economic conditions may also not be representative of customer's actual default in the future.

The application of simplified approach does not require the Company to track changes in credit risk. Rather it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL. The Company considers that there has been a significant increase in credit risk when contractual payments are more than 30 days past due.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

The Company considers a financial asset in default when contractual payments are 90 days past due. However, in certain cases, the Company may also consider a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Company. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

ECL impairment loss allowance (or reversal) during the year is recognised as income / expense in the statement of profit or loss.

BDG & CO LLP New Delhi Chartered Accountants

RENEW ENERGY MARKETS PRIVATE LIMITED

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The financial liabilities of the Company include trade and other payables, derivative financial instruments, loans and borrowings including bank overdraft.

Subsequent measurement

The measurement of financial liabilities depends on their classification as discussed below:

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit or loss. This category generally applies to borrowings.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged / cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Reclassification of financial assets and liabilities

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent.

The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

h) Cash and bank balances

Cash and cash-equivalents

Cash and short-term deposits in the balance sheet comprise cash at banks and cash in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short term deposits, as defined above, net of bank overdrafts as they are considered an integral part of the Company's cash management.

Bank balances other than cash and cash equivalents

Bank balances other than cash and cash equivalents consists of deposits with an original maturity of more than three months. These balances are is classified into current and non-current portions based on the remaining term of the deposit.

i) Measurement of EBITDA

The Company has elected to present earnings before interest, tax, depreciation and amortisation (EBITDA) as a separate line item on the face of the Statement of Profit and Loss. The Company measure EBITDA on the basis of profit/ (loss) from continuing operations. In their measurement, the companies include interest income but do not include depreciation and amortisation expense, finance costs and tax expense.

j) Events occurring after the reporting period

Impact of events occurring after the reporting date that provide additional information materially effecting the determination of the amounts relating to conditions existing at the reporting date are adjusted to respective assets and liabilities.

The Company does not adjust the amounts recognised in its financial statements to reflect non-adjusting events after the reporting period.

The Company makes disclosures in the financial statements in cases of significant events.

RENEW ENERGY MARKETS PRIVATE LIMITED

B D G & CO LLP New Delhi Chartered Accountants

k) Earnings per equity share (EPS)

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares and instruments mandatorily convertible into equity shares outstanding during the year. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

'The dilutive effect of outstanding options is reflected as additional share dilution in the computation of diluted earnings per share.

3.2 New standards, interpretations and amendments

3.2.1 New and amended standards

The Ministry of Corporate Affairs has notified Companies (Indian Accounting Standards) Amendment Rules, 2023 dated 31 March 2023 to amend the following Ind AS which are effective for annual periods beginning on or after 1 April 2023. The Company applied for the first-time these amendments.

(i) Definition of Accounting Estimates - Amendments to Ind AS 8

The amendments clarify the distinction between changes in accounting estimates and changes in accounting policies and the correction of errors. It has also been clarified how entities use measurement techniques and inputs to develop accounting estimates.

The amendments had no impact on the Company's standalone financial statements.

(ii) Disclosure of accounting policies - Amendments to Ind AS 1

The amendments aim to help entities provide accounting policy disclosures that are more useful by replacing the requirement for entities to disclose their 'significant' accounting policies with a requirement to disclose their 'material' accounting policies and adding guidance on how entities apply the concept of materiality in making decisions about accounting policy disclosures.

The amendments have no major impact on the Company's disclosures of accounting policies, measurement, recognition or presentation of any items in the Company's financial statements.

(iii) Deferred tax related to assets and liabilities arising from a single transaction - Amendments to Ind AS 12

The amendments narrow the scope of the initial recognition exception under Ind AS 12, so that it no longer applies to transactions that give rise to equal taxable and deductible temporary differences such as leases.

The Company previously recognised for deferred tax on leases on a net basis. As a result of these amendments, the Company has recognised a separate deferred tax asset in relation to its lease liabilities and a deferred tax liability in relation to its right-of-use assets. Since, these balances qualify for offset as per the requirements of paragraph 74 of Ind AS 12,there is no impact in the balance sheet. There was also no impact on the opening retained earnings as at 1 April 2023.

Apart from these, consequential amendments and editorials have been made to other Ind AS like Ind AS 101, Ind AS 102, Ind AS 103, Ind AS 107, Ind AS 109, Ind AS 115 and Ind AS 34.

3.2.2 Recent Pronouncement

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the company.

27 Financial Risk Management objectives and policies

"The Company's principal financial liabilities comprise loans and borrowings, trade and other payables.
The main purpose of these financial liabilities is to finance the Company's operations and to support its operations. The Company's financial assets include loans, trade and other receivables, and cash & cash equivalents that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management is supported by a various sub committees that advises on financial risks and the appropriate financial risk governance framework for the Company. These committees provides assurance to the Company's senior management that the Company's financial risk activities are governed by appropriate policies and procedure and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each risk, which are summarised as below

Market Risk

Market risk is the risk that the Company's assets and liabilities will be exposed to due to a change in market prices that determine the valuation of these financial instruments. Market risk comprises 3 types of risk: interest rate risk, currency risk and other price risk such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings and deposits.

Credit Risk

Credit risk is the risk that the power procurer will not meet their obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from their operating activities (primarily trade receivables) but this credit risk exposure is insignificant given the fact that substantially whole of the revenues are from the organised exchange customer.

Further the Company sought to reduce counterparty credit risk under long-term contracts in part by entering into power sales contracts with utilities or other customers of strong credit quality and we monitor their credit quality on an on going basis.

The maximum credit exposure to credit risk for the components of the balance sheet at 31 March 2024 is the carrying amount of all the financial assets

Trade Receivables

Customer credit risk is managed basis established policies of Company, procedures and controls relating to customer credit risk management. Outstanding customer receivables are regularly monitored. The Company does not hold collateral as security.

The Company has state utilities/government entities as it's customers with high credit worthiness, therefore, the Company does not see any risk related to credit. The credit quality of the customers other than state utilities/government entities is evaluated based on their credit ratings and other publicly available data.

The Company has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment and impairment analysis is performed at each reporting date to measure expected credit losses. The calculation reflects the probability-weighted outcome, the time value of money and reasonable and supportable information that is available at the reporting date about past events, current conditions and forecasts of future economic conditions.

Set out below is the information about the credit risk exposure on the Company's trade receivables using a provision matrix.

Financial instruments and credit risk

Credit risk from balances with banks is managed by company's treasury department. Investments, in the form of fixed deposits, loans and other investments, of surplus funds are made only with banks & group companies and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed on an annual basis by the Company, and may be updated throughout the year subject to approval of company's finance committee. The limits are set to minimize the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

Other financial assets

Credit risk from other financial assets including loans is managed basis established policies of Company, procedures and controls relating to customer credit risk management. Outstanding receivables are regularly monitored. The Company does not hold collateral as security."

RENEW ENERGY MARKETS PRIVATE LIMITED

B D G & CO LLP New Delhi Chartered Accountants

(Amounts in INR millions, unless otherwise stated)

27A Liquidity Risk

Liquidity risk is the risk that the Company will encounter in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The approach of the Company to manage liquidity is to ensure , as far as possible, that these will have sufficient liquidity to meet their respective liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risk damage to their reputation.

The Company assessed the concentration of risk with respect to refinancing its debt and concluded it to be low. The Company has access to a sufficient variety of sources of funding and debt maturing within 12 months can be rolled over with existing lenders.

The Company rely mainly on long-term debt obligations to fund their construction activities. To the extent available at acceptable terms, utilized non-recourse debt to fund a significant portion of the capital expenditures and investments required to construct and acquire our wind and solar power plants and related assets. The Company's non-recourse financing is designed to limit default risk and is a combination of fixed and variable interest rate instruments. In addition, the debt is typically denominated in the currency that matches the currency of the revenue expected to be generated from the benefiting project, thereby reducing currency risk. The majority of non-recourse debt is funded by banks and financial institutions, with debt capacity supplemented by unsecured loan from related party.

The table below summarizes the maturity profile of financial liabilities of Company based on contractual undiscounted payments:

Year ended 31 March 2024	On demand	Less than 3 months	3 to 12 months	1 to 5 years	> 5 years	Total
Long term borrowings						
Loans from related party	-	-	-	92	-	92
Other financial liabilities						
Interest accrued but not due on borrowings	14	-	-	-	-	14
Trade payables						
Trade payables	-	254	-	-	-	254

The Company expect liabilities with current maturities to be repaid from net cash provided by operating activities of the entity to which the debt relates or through opportunistic refinancing

Year ended 31 March 2023	On demand	Less than 3 months	3 to 12 months	1 to 5 years	> 5 years	Total
Long term borrowings						
Loans from related party	-	-	-	34	-	34
Other financial liabilities						
Interest accrued but not due on borrowings	2	-	-	-	-	2
Capital Creditors	-	2	-	-	-	2
Trade payables						
Trade payables	52	6	-	-	-	58

28 Significant accounting judgments, estimates and assumptions

The preparation of financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

In the process of applying the accounting policies management has made certain judgements, estimates and assumptions. The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based their assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Related party transactions

Management Shared Services

Employee benefit costs and other common expenses are incurred by the Holding Company & fellow subsidiary. These expenses are allocated to all the entities of the Group in the form of 'Management Shared Services'. Allocation of cost to the entities involves various estimates, reasonability of which is assessed through an external expert.

Inter-group unsecured loan

The Group uses unsecured loans to fund requirements of various entities. These loans carry interest rate of 8% (approximates 3-year government bond yield).

29 Audit Trail

The Company has used accounting software (SAP S4 Hana) for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software, except that audit trail feature at the underlying application database was enabled on March 28th, 2024. Further no instance of audit trail feature being tampered with was noted in respect of the accounting software throughout the year, except that for the underlying application database wherein the same has been established w.e.f 28 March 2024.

30 Capital management

For the purpose of the capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the parent. The primary objective of the Company's management is to maximise the shareholder value

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants.

To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitor capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes within net debt, interest bearing loans and borrowings and other payables, less cash and short-term deposits. The Company systematically evaluates opportunities for managing its assets including that of buying new assets, partially or entirely sell existing assets and potential new joint ventures. Crystallisation of any such opportunity shall help the Company in improving the overall portfolio of assets, cash flow management and shareholder returns.

The policy of the Company is to keep the gearing ratio of the power project to 3 1 during the construction phase and aim to enhance it to 4 1 post the construction phase. This is in line with the industry standard ratio The current gearing ratios of the various projects in the Company is between 3 1 to 4 1

In order to achieve this overall objective, the capital management of the Company, amongst other things, aims to ensure that they meet financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements.

No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2024
