₹50K cr forex saved by blending ethanol with petrol in 7-8 years: PM

Prime Minister Narendra Modi inaugurates a 2G ethanol plant at Panipat Refinery in Haryana, through a video conference, in New Delhi on Wednesday

Panipat: Prime Minister Narendra Modi on Wednesday said the country saved ₹50,000 crore in foreign exchange by blending ethanol with petrol in the last seven-eight years.

Dedicating the second-generation ethanol plant of India Oil Corporation to the nation here, Modi said that the same amount of ₹50,000 crore has gone to farmers.

Modi, who addressed the gathering through video-conferencing, said the ethanol plant worth ₹900 crore will provide a permanent solution to the problem of stubble burning in farms. Besides, stubble will become a source of income for farmers, Modi said, adding that ethanol production has increased from 40

core litres to 400 crore litres in eight years.

He said that the second-generation ethanol plant at Panipat will help reduce pollution in Haryana and Delhi. Second-generation ethanol plant uses non-food biomass as feedstock for the production of biofuel. The project will utilise 2 lakh tonnes of rice straw to generate around 3 crore litres of ethanol annually. It will also result in a reduction in the emission of greenhouse gases. The plant will strengthen the efforts to boost production and usage of biofuels and will immensely help our farmers, the Prime Minister said. On clean fuels, Modi said that 75 per cent of households will get piped gas supply in a few years.

Sensex, Nifty close almost flat

Mumbai: Benchmark BSE Sensex and Nifty closed on a flat note on Wednesday as profit booking in IT and realty shares negated gains in metal and oil & gas stocks.

The 30-share BSE Sensex ended 35.78 points or 0.06 per cent lower at 58,817.29 in a volatile session. As many as 17 of its components ended in the red while 13 advanced.

The broader NSE Nifty inched up 9.65 points or 0.06 per cent to close at 17,534.75.

The market remained range-bound for the most part of the session as investors kept their exposure low due to weak global cues, traders said.

"Investors were in a cautious mode in anticipation of the release of US inflation statistics, which will set the tone for the next FED policy meeting," Vinod Nair, Head of Research at Geojit Financial Services, said.

"The US CPI inflation during July is projected to remain high, in line with June inflation levels. This, along with strong job data, will compel the Fed to keep taking a tough approach to rein in high

inflation levels," Nair added.

Bajaj Finance was the top loser in the Sensex pack, shedding 2.66 per cent, followed by NTPC, HCL Tech, Wipro, Asian Paints, Ultra Cement and SBI. On the other hand, Tata Steel, Bharti Airtel, ICICI Bank, L&T and IndusInd Bank were among the gainers.

Among sectors, metals and capital goods gained the most while IT and realty fell the most. Midcap and Smallcap indexes mildly underperformed the Nifty even as the advance-decline ratio remained below 1:1 at 0.8, Deepak Jasani, Head of Retail Research, HDFC Securities, said.

Asian markets slipped on Wednesday after weak inflation readings from China raised concerns over sluggish demand in China, with the focus now turning to key US inflation data to be released later in the day.

Markets traded in a narrow range with a negative bias for the most part of the trading session, as traders followed global direction and exhibited caution ahead of the key US inflation data.

Digital loans must be credited directly in bank accounts: RBI

Mumbai: The RBI on Wednesday mandated that digital loans must be credited directly in the bank accounts of borrowers and not through any third party, as it put in place strict norms to curb rising malpractice in digital lending space.

Besides, the Reserve Bank of India said digital lending entities and not the borrowers should pay fees or charges payable to Lending Service Providers (LSPs) in the credit intermediation process.

Issuing a detailed set of guidelines for digital lending, the RBI mentioned about the concerns primarily related to unbridled engagement of third parties, mis-selling, breach of data privacy, unfair business conduct, charging of exorbitant interest rates, and unethical recovery practices.

The RBI had constituted a Working Group on 'digital lending including lending through online platforms and mobile applications' (WGDL) on January 13, 2021.

It further said regulatory framework to support orderly growth of credit delivery through digital lending meth-

ods while mitigating the regulatory concerns has been framed up. "This regulatory framework is based on the principle that lending business can be carried out only by entities that are either regulated by the Reserve Bank or entities permitted to do so under any other law," it said.

The Reserve Bank's regulatory framework is focused on the digital lending ecosystem of RBI's Regulated Entities (REs) and the LSPs engaged by them to extend various permissible credit facilitation services.

"All loan disbursements and repayments are required to be executed only between the bank accounts of borrower and the RE without any pass-through/ pool account of the LSP or any third party," the RBI said. Also, any fees, charges, payable to LSPs in the credit intermediation process shall be paid directly by RE and not by the borrower, it added.

It further said a standardized Key Fact Statement (KFS) must be provided to the borrower before executing the loan contract.

This has been mandated to be followed by REs, their LSPs,

and Digital Lending Apps (DLAs) of REs, among others.

If any complaint lodged by the borrower is not resolved by the RE within the stipulated period (currently 30 days), he/she can lodge a complaint under the Reserve Bank - Integrated Ombudsman Scheme (RB-IOS).

The RBI further said data collected by DLAs should be need-based, have clear audit trails and only done with prior explicit consent of the borrower. Option may be provided for borrowers to accept or deny consent for use of specific data, including option to revoke previously granted consent, besides option to delete the data collected from borrowers by DLAs/ LSPs.

RBI also said certain recommendations of the working group have been accepted in principle, but they require further examination.

Also, there are recommendations which require wider engagement with the central government and other stakeholders in view of the technical complexities, setting up of institutional mechanism and legislative interventions.

Rupee rises 15 paise to close at 79.48 against US dollar

Mumbai: The rupee appreciated by 15 paise to close at 79.48 (provisional) against the US dollar on Wednesday, tracking foreign fund inflows and easing crude oil prices.

At the interbank forex market, the local unit opened at 79.59 against the greenback and finally settled at 79.48 (provisional), registering a rise of 15 paise over its previous close.

During the session, the local unit witnessed an intraday high of 79.41 and a low of 79.59 against the American currency. In the previous ses-

ion on Monday, the rupee had closed at 79.63 against the US dollar.

The dollar index, which measures the greenback's strength against a basket of six currencies, was down 0.18 per cent at 106.18. Brent crude futures, the global oil benchmark, fell 1.10 per cent to USD 95.25 per barrel.

"The Indian rupee outperforms among Asian currencies amid corporate dollar inflows and lacklustre global cues ahead of US inflation data," said Dilip Parmar, Research Analyst, HDFC Securities.

BUSINESS BRIEFS

KSB BAGS ₹500 CR FOR KAIGA ATOMIC POWER PROJECT
New Delhi: NPCIL has placed ₹500 crore order on KSB Limited for the supply of Primary Coolant Pumps along with its electric motors & spares for the Kaiga Atomic Power Project 5 & 6, at Karwar, Karnataka. KSB Group, a leader in pumps & valves manufacturing, has been associated with the Department of Atomic Energy (DAE), India since 1970. We hope that KSB shall be looked upon as a partner for this "Made in India" initiative, said Farrokh Bhatena, KSB Sales & Marketing Director.

MS DHONI SEEN IN GURUJI AVATAR
New Delhi: Cricketer MS Dhoni has appeared as a Guruji avatar in the new campaign of Zed Black Agarbatti the flagship brand from Mysore Deep Perfumery House. The Indian cricket legend has been endorsing Zed Black 3 in 1 agarbatti brand for over five consecutive years. It has been a delight to have MS Dhoni come on board as the face for Zed Black incense sticks since half a decade now, said Ankit Agrawal, Director, Zed Black.

Gold prices fall by ₹60, silver declines ₹575

New Delhi: Gold prices eased by ₹60 to ₹52,811 per 10 grams in the national capital on Wednesday in line with losses in the precious metal in the global markets, according to HDFC Securities.

The precious metal had closed at ₹52,871 per 10 grams in the previous trade.

Silver declined by ₹575 to ₹58,985 per kg from ₹59,560 per kg in the previous trade. The rupee appreciated by 11 paise to 79.52 against the US dollar in afternoon trade on Wednesday on easing crude oil prices and foreign fund inflows.

In the international market, gold was quoting lower at USD 1,789 per ounce while silver was flat at USD 20.35 per ounce.

Bank of Baroda to hike MCLR rates by up to 0.2% from August 12

New Delhi: Bank of Baroda on Wednesday said it will raise the marginal cost of fund-based lending rates (MCLR) by up to 0.20 per cent across tenors from August 12.

The bank has approved the revision in MCLR with effect from August 12, 2022, Bank of Baroda said in a regulatory filing. The benchmark one-year MCLR, which forms the basis for most consumer and personal loans, will be priced at 7.70 per cent, as against 7.65 per cent presently. Among other tenor loans, the one-month MCLR has been raised by 0.20 per cent to 7.40 per cent, while the three and six month MCLR loans will be up by 0.10 per cent each at 7.45 per cent and 7.55 per cent respectively.

Centre gives States 2 instalments of tax devolution totalling ₹1.16L cr

New Delhi: The Centre on Wednesday released two instalments of tax devolution totalling ₹1.16 lakh crore to states. This is in line with the commitment of the government to strengthen the hands of states to accelerate their capital and developmental expenditure, a finance ministry statement said.

"The Union Government has released two instalments of tax devolution to State Governments amounting to ₹1,16,665.75 crore on 10th August, 2022, as against normal monthly devolution of ₹58,332.86 crore," it said.

Currently, 41 per cent of taxes collected by the Centre is devolved in 14 instalments among states during a fiscal year.

Skoda reopens bookings for Kodiaq; deliveries in January-March next year

New Delhi: Skoda Auto India on Wednesday said it has again commenced the bookings of its SUV Kodiaq, with deliveries scheduled in January-March next year.

The company had earlier opened the bookings for the model in January this year.

Prices start at ₹37.49 lakh and will be applicable for the January-March quarter of 2023, the Czech automaker said in a statement. The booking amount is Rs 50,000, and the SUV can only be booked across the company's dealerships across the country, it added.

The three Kodiaq trims are tagged at ₹37.49 lakh, ₹38.49 lakh and ₹39.99 lakh, respec-

tively. "We are opening bookings for Q1 2023 and will announce phase-wise booking windows for the rest of the 2023 volumes," Skoda Auto India Brand Director Zac Hollis stated.

Skoda Kodiaq SUV is shown in a dark blue color with silver accents.
